

Brown, William - single man - Hempfield Township  
Brown, William - Hempfield  
Brown, William - inmate - Springhill (yours???)

(Fayette County was formed in 1785 from Westmoreland County.)

There are about six references to a John Brown in Crumrine's *Virginia Court Records in Pennsylvania*. Two references refer to reciprocal suits between John Brown and John Crow. John Crow lived in Fallowfield Township in 1783.

I wonder if there is a death notice in a Kentucky newspaper or a will for either David Hopkins or Rhoda Hopkins which might contain some information?

There is no will listed for the John Brown in Springhill Township, Fayette County until 1872 so it could not be the father of your John Brown. I do not know about an administration of estate.
